Subject: **RECOMMENDATION LETTER**

Tom:

It is come to my attention that MOF Subic has been doing business with your company for six years. During which time, we have come to enjoy a business relationship that has proven itself useful from both a safety and financial point of view.

Case in point is the crane inspection your company performed on our unit that unmasked several hazards that could have resulted in accidents, down time and loss of revenue for our company.

I'm taking this opportunity to thank you and your team for their conscientiousness and professionalism while at my company's site.

We appreciate the diligence and dedication your team consistently demonstrates and we look forward to a long, mutually beneficial and professional relationship.

Sincerely,

Lee Baldwin,  
Executive Vice President,  
MOF Company (Subic), Inc.
