

Siemens Power Operations Inc.
Santa Rita
Batangas City 4200.
Philippines.

December 18, 2004

To Whom It May Concern:

Reference to Satisfactory Services.

Under the Supplier Performance Appraisal System conducted annually by SPO engineer managers, this is to confirm that **Inspection Consultants International (ICI) Philippines Inc.** with office address at **Gordon Avenue, New Kalalaki, Olongapo City** received a rating of :

Consistently Very Satisfactory

throughout year 2004. We confirm that ICI have been maintained on our **List of Preferred Suppliers** for year 2005.

The above rating takes into account the supplier's organization, knowledge, professionalism, competency in their specific field, safety on the job, reporting of findings and results and the performance and reliability in meeting SPO expectations.

We would have no hesitation in recommending the services of ICI either as a consultant or in the actual testing and inspection and certification of heavy lifting devices and related equipment.

Yours Sincerely

Barry W. Popple
Quality Manager.
